## **Police Ask for Help Identifying Suspects in Stolen Credit Card Case** **The men are using stolen cards at locations throughout the Roanoke valley**

- **Incident:** Credit Card Fraud
- **Investigating Officer:** Roanoke County Detective J. McNeill
- **Additional Remarks:**

The Roanoke County Police Department is asking for the public's help identifying three men who've been using stolen credit cards at various stores throughout the Roanoke valley.

Police have obtained surveillance video from a grocery store in Roanoke County, which shows the suspects entering the store where they used a stolen credit card to make purchases. Two of the men are black and one is Hispanic. Police say the men are using the stolen cards to purchase VISA gift cards and other smaller items.

The three men are also accused of using stolen credit cards to make purchases in Roanoke and Salem. One of the stolen credit cards belongs to a victim in Minnesota. Police are uncertain what tie the men have to that state.

If you know the identity of these men or have other information regarding this case, such as the car they may be driving, please contact Roanoke County Detective J. McNeill at 540-777-8632 or 540-562-3265.
