

October 10, 2017

The Roanoke County Electoral Board reconvened at 1:09 pm on Tuesday, October 10, 2017. All members were present as well as the General Registrar.

Precinct 303-Windsor Hills will need to temporarily move from Our Lady of Nazareth Catholic Church. The Director of Elections received notice that the facility will be under renovation and unavailable for approximately 10 more months. The Board instructed the General Registrar to complete SBE Form 310 for emergency/temporary polling place relocation of that precinct to Hidden Valley High School. The Registrar has confirmed that the school meets all the criteria for servicing citizens living in the Windsor Hills precinct.

The Board adjourned at 2:00 pm.
