(Local Prevailing Time)

RFP #2018-088 Addendum No. 3

2: Questions and Responses

1. Reference page 4, SCOPE of WORK, paragraph 1

Question: Can personnel with years of experience in facility condition assessment be substituted for A&Es?

RESPONSE: The RFP indicates that persons with specific expertise in building systems or construction may be used to supplement the A&E professionals. The County expects the physical inspection and work products related to the condition assessment to be managed by licensed A&E professionals. Offerors may supplement their project team with appropriate persons having expertise in building systems and construction. As is noted in the evaluation criteria, Offerors should provide the roles and subsequent capability, qualifications and experience of team personnel in their proposal.

2. Reference page 6, REFERENCES

Question: Can the references submitted also include federal government clients where similar work was performed?

RESPONSE: References should be from local governments **OR** similar projects. Offerors can provide references from clients they deem represent similar work.
