### **Automated Carts**

1. Please confirm the awarded vendor will be responsible for sending a crew to the Kessler Mill location when the trailer is arriving to unload the carts. The cost to do so must be factored into the unit price offered, and this is not a standard requirement, so I'm attempting to ensure we're on the same page. If County staff will be offloading, we will not have to consider this cost.

Answer: County staff will offload the containers.
