Improvements at Oak Grove Park

Which proposed park features are most important to you?

Please rank the features with "1" as the most important and "6" as the least important to you.

Principle #2: Improve and Expand Outdoor Amenities

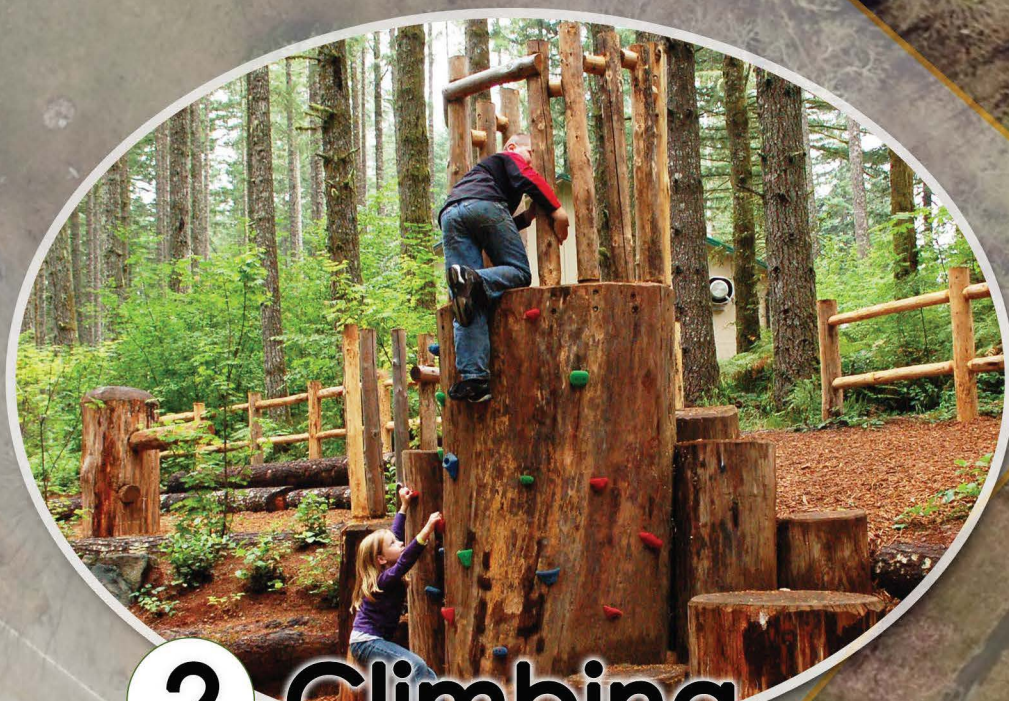

Core Concept: Improve existing parks and create new parks and recreation facilities.

Supporting Initiatives: 1. Explore accessible alternatives for improving Oak Grove Park.

2. Consider locating a dog park in the area.

County
Easement

Which proposed features for the vacant County-owned parcel are most important to you?

Please rank the features with "1" as the most important and "5" as the least important to you.

Principle #2: Improve and Expand Outdoor Amenities

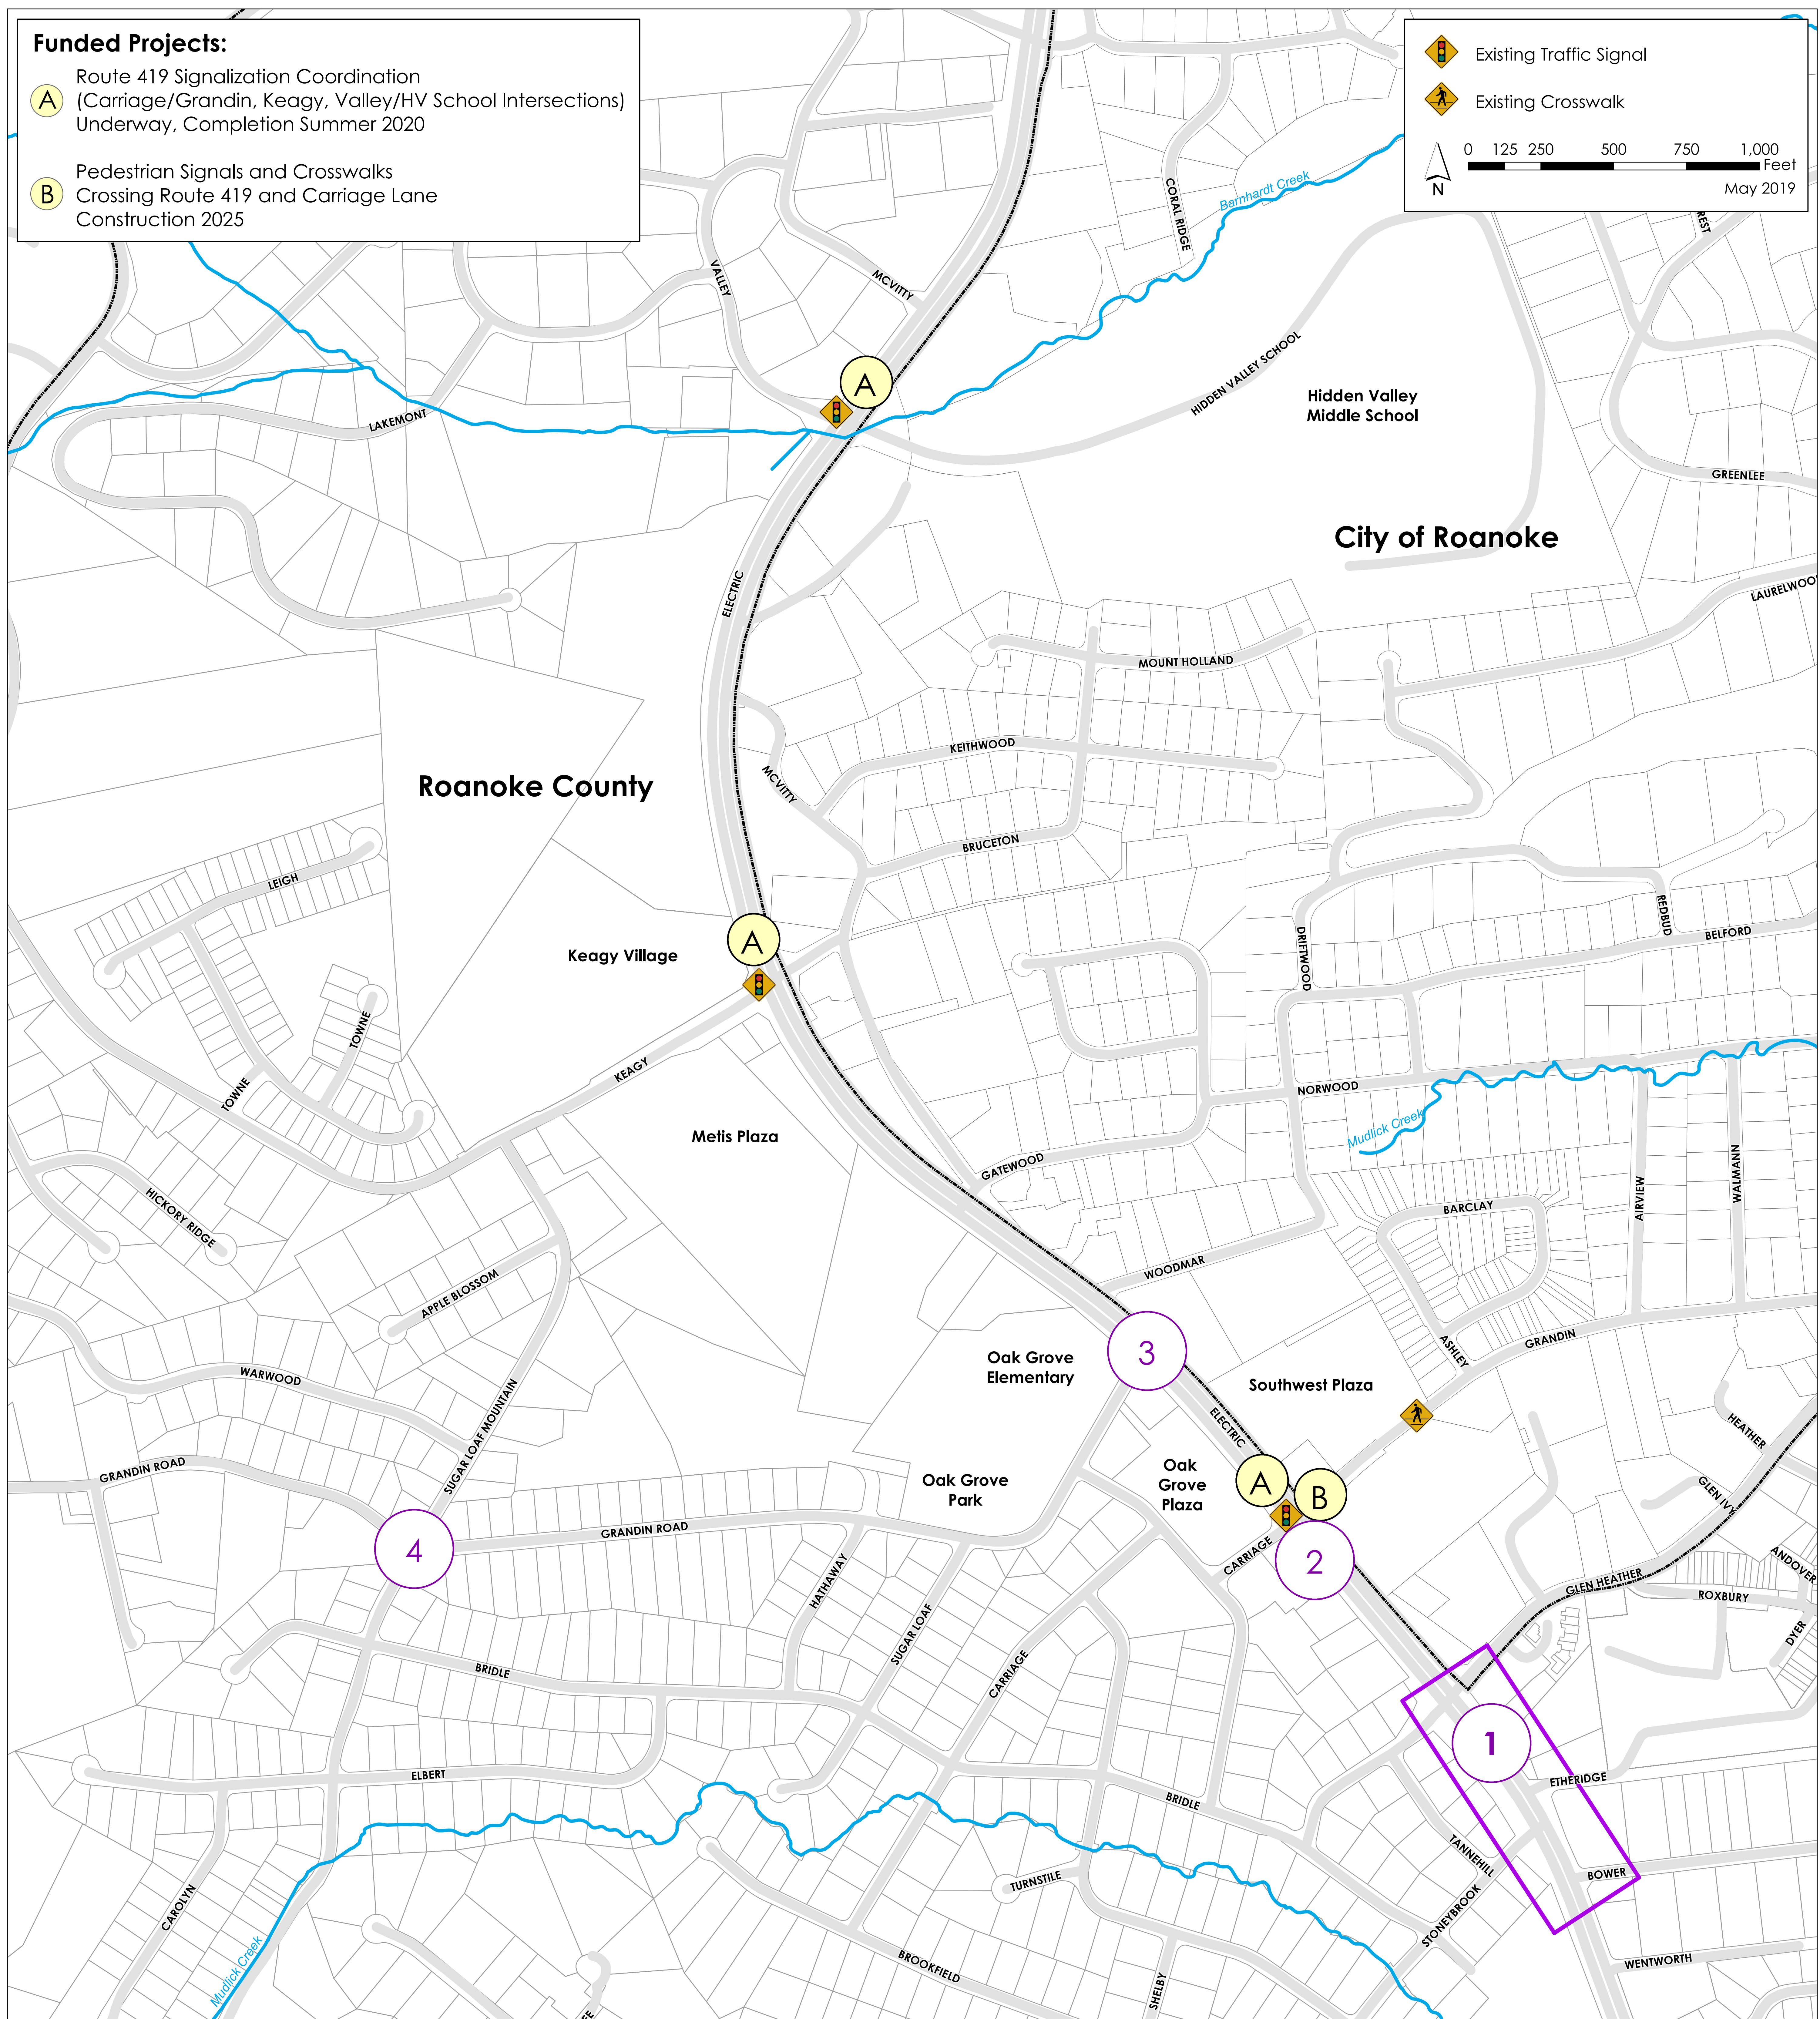

Core Concept: Build a trail network and connect to greenways.

Supporting Initiative: Expand walking trails from Oak Grove Park onto the vacant County-owned parcel and beyond, in collaboration with private property owners.

Core Concepts: 1. Improve intersections; 2. Improve the road network; 3. Provide accessible, multimodal connectivity throughout the study area; and 4. Extend transit service to the study area.

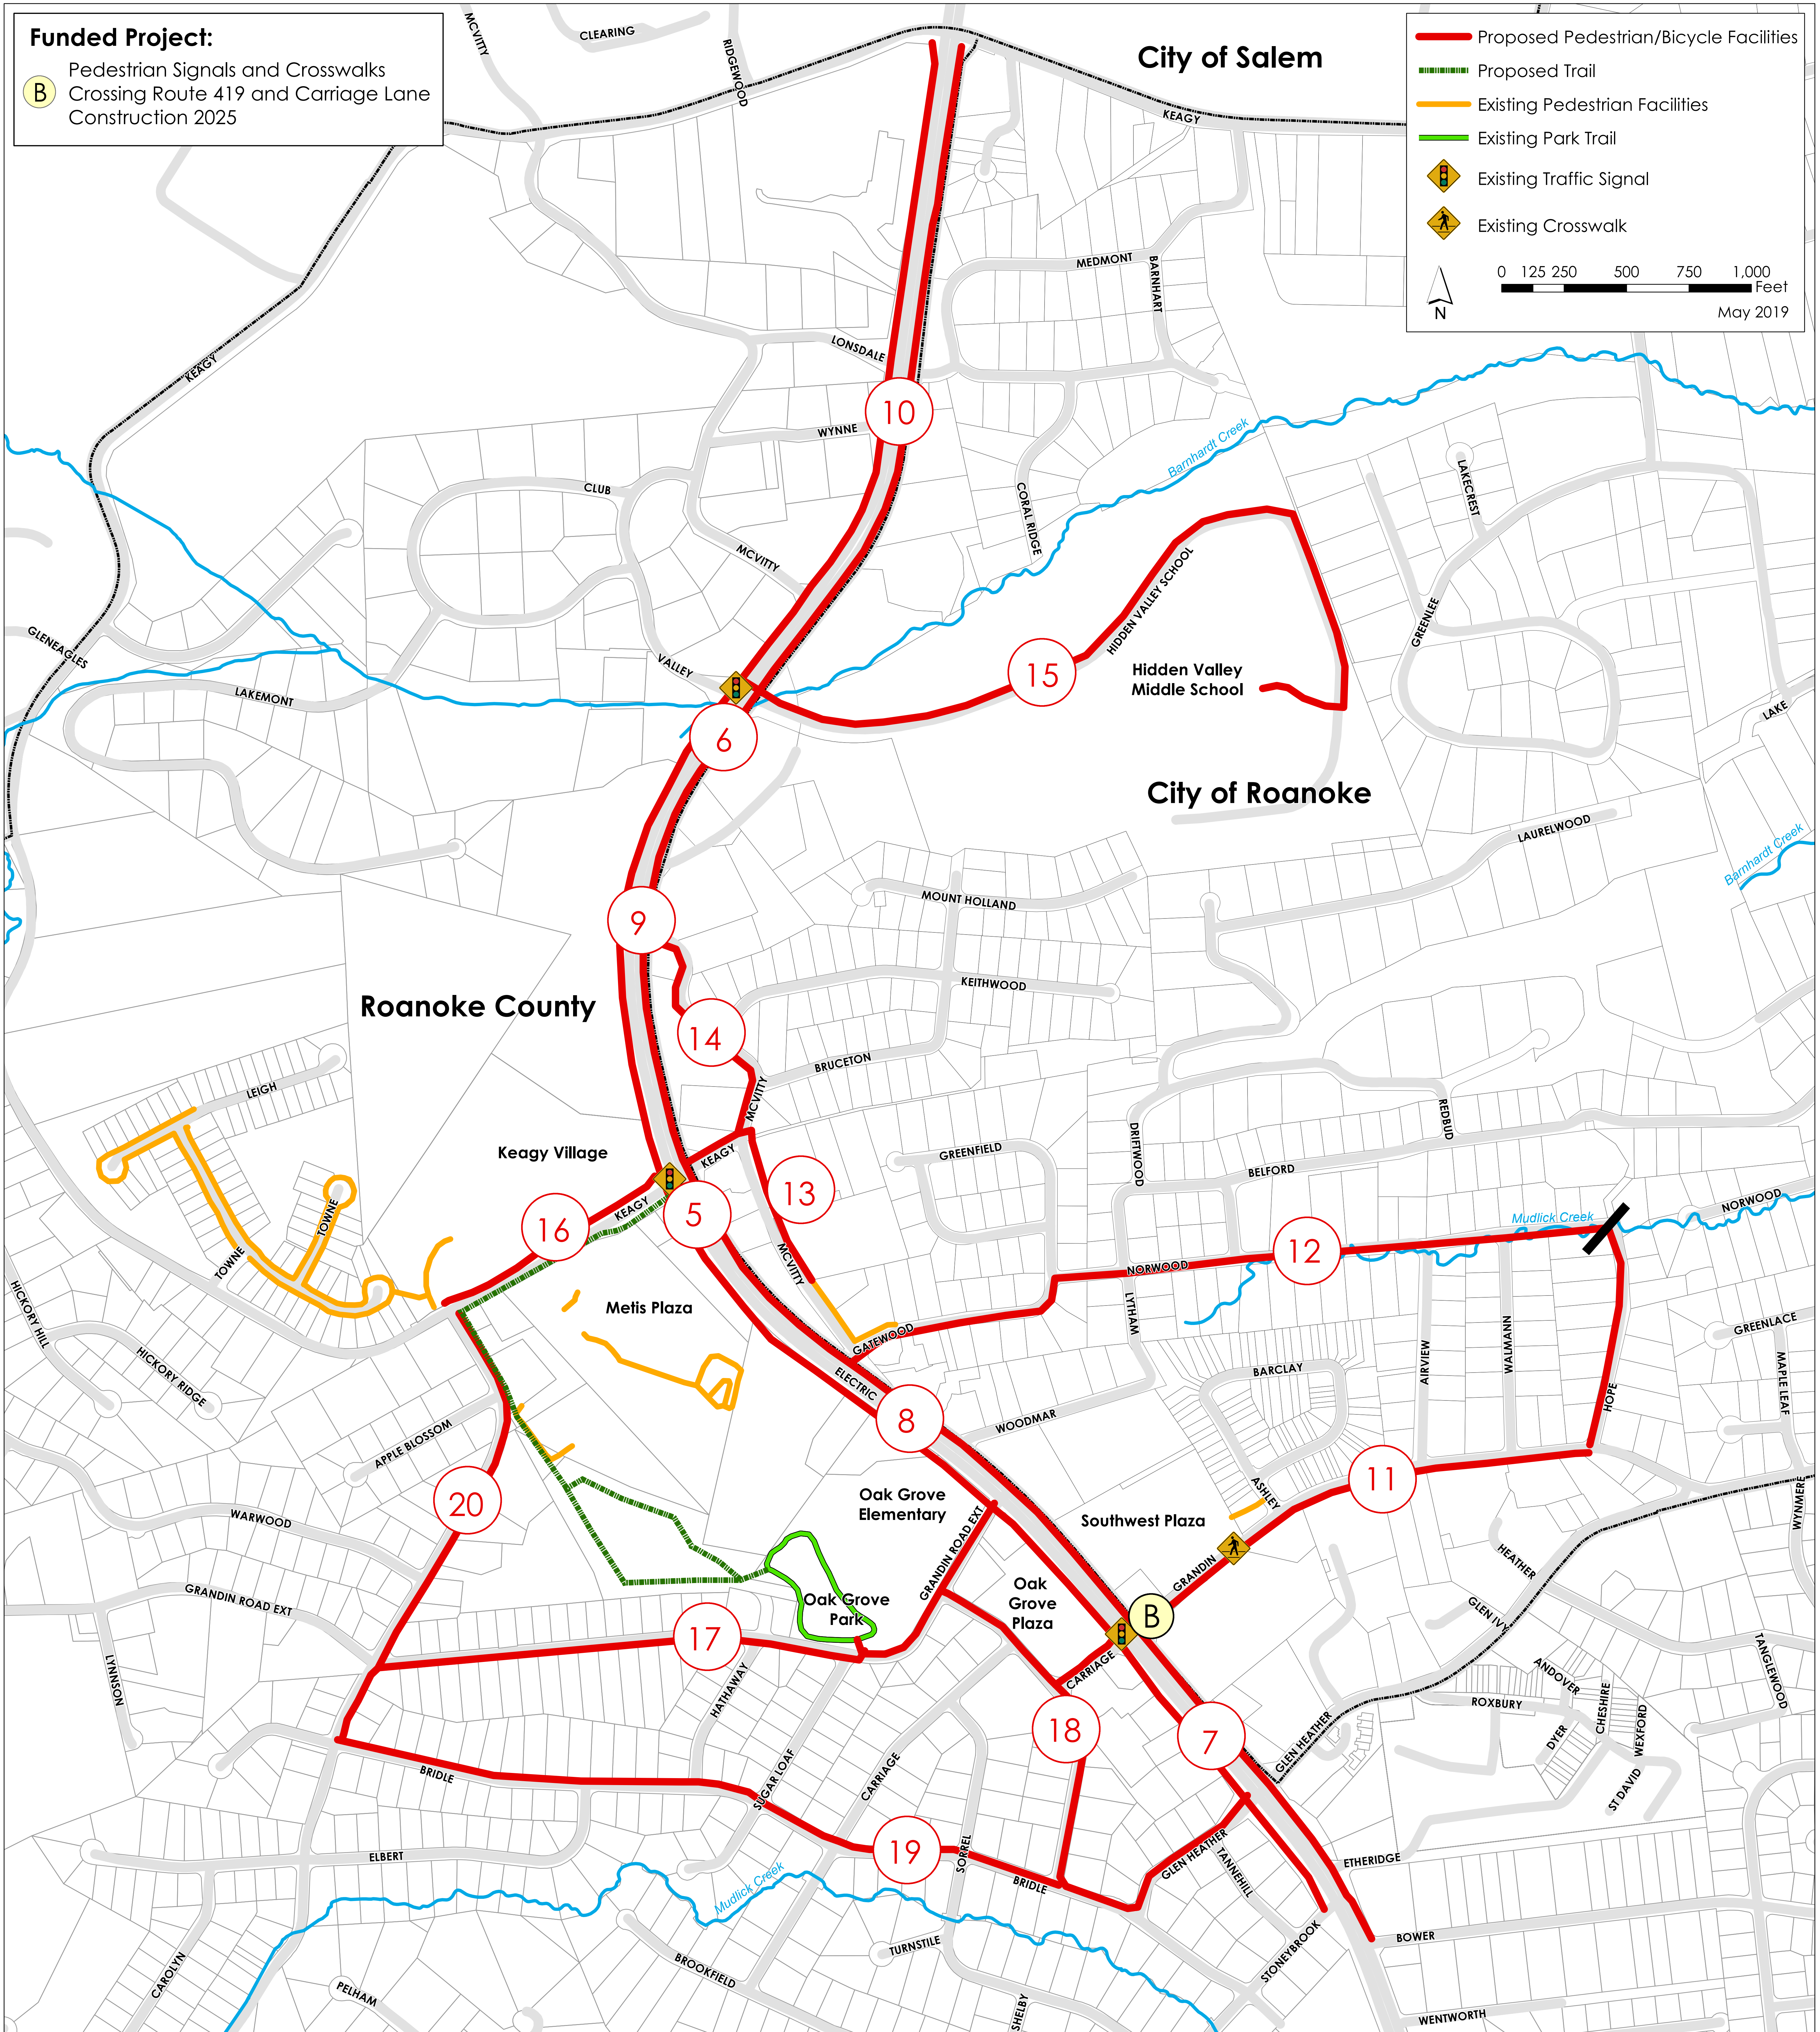

INTERSECTIONS

Core Concepts: 1. Improve intersections; 2. Improve the road network; 3. Provide accessible, multimodal connectivity throughout the study area; 4. Extend transit service to the study area.

PEDESTRIAN & BICYCLE

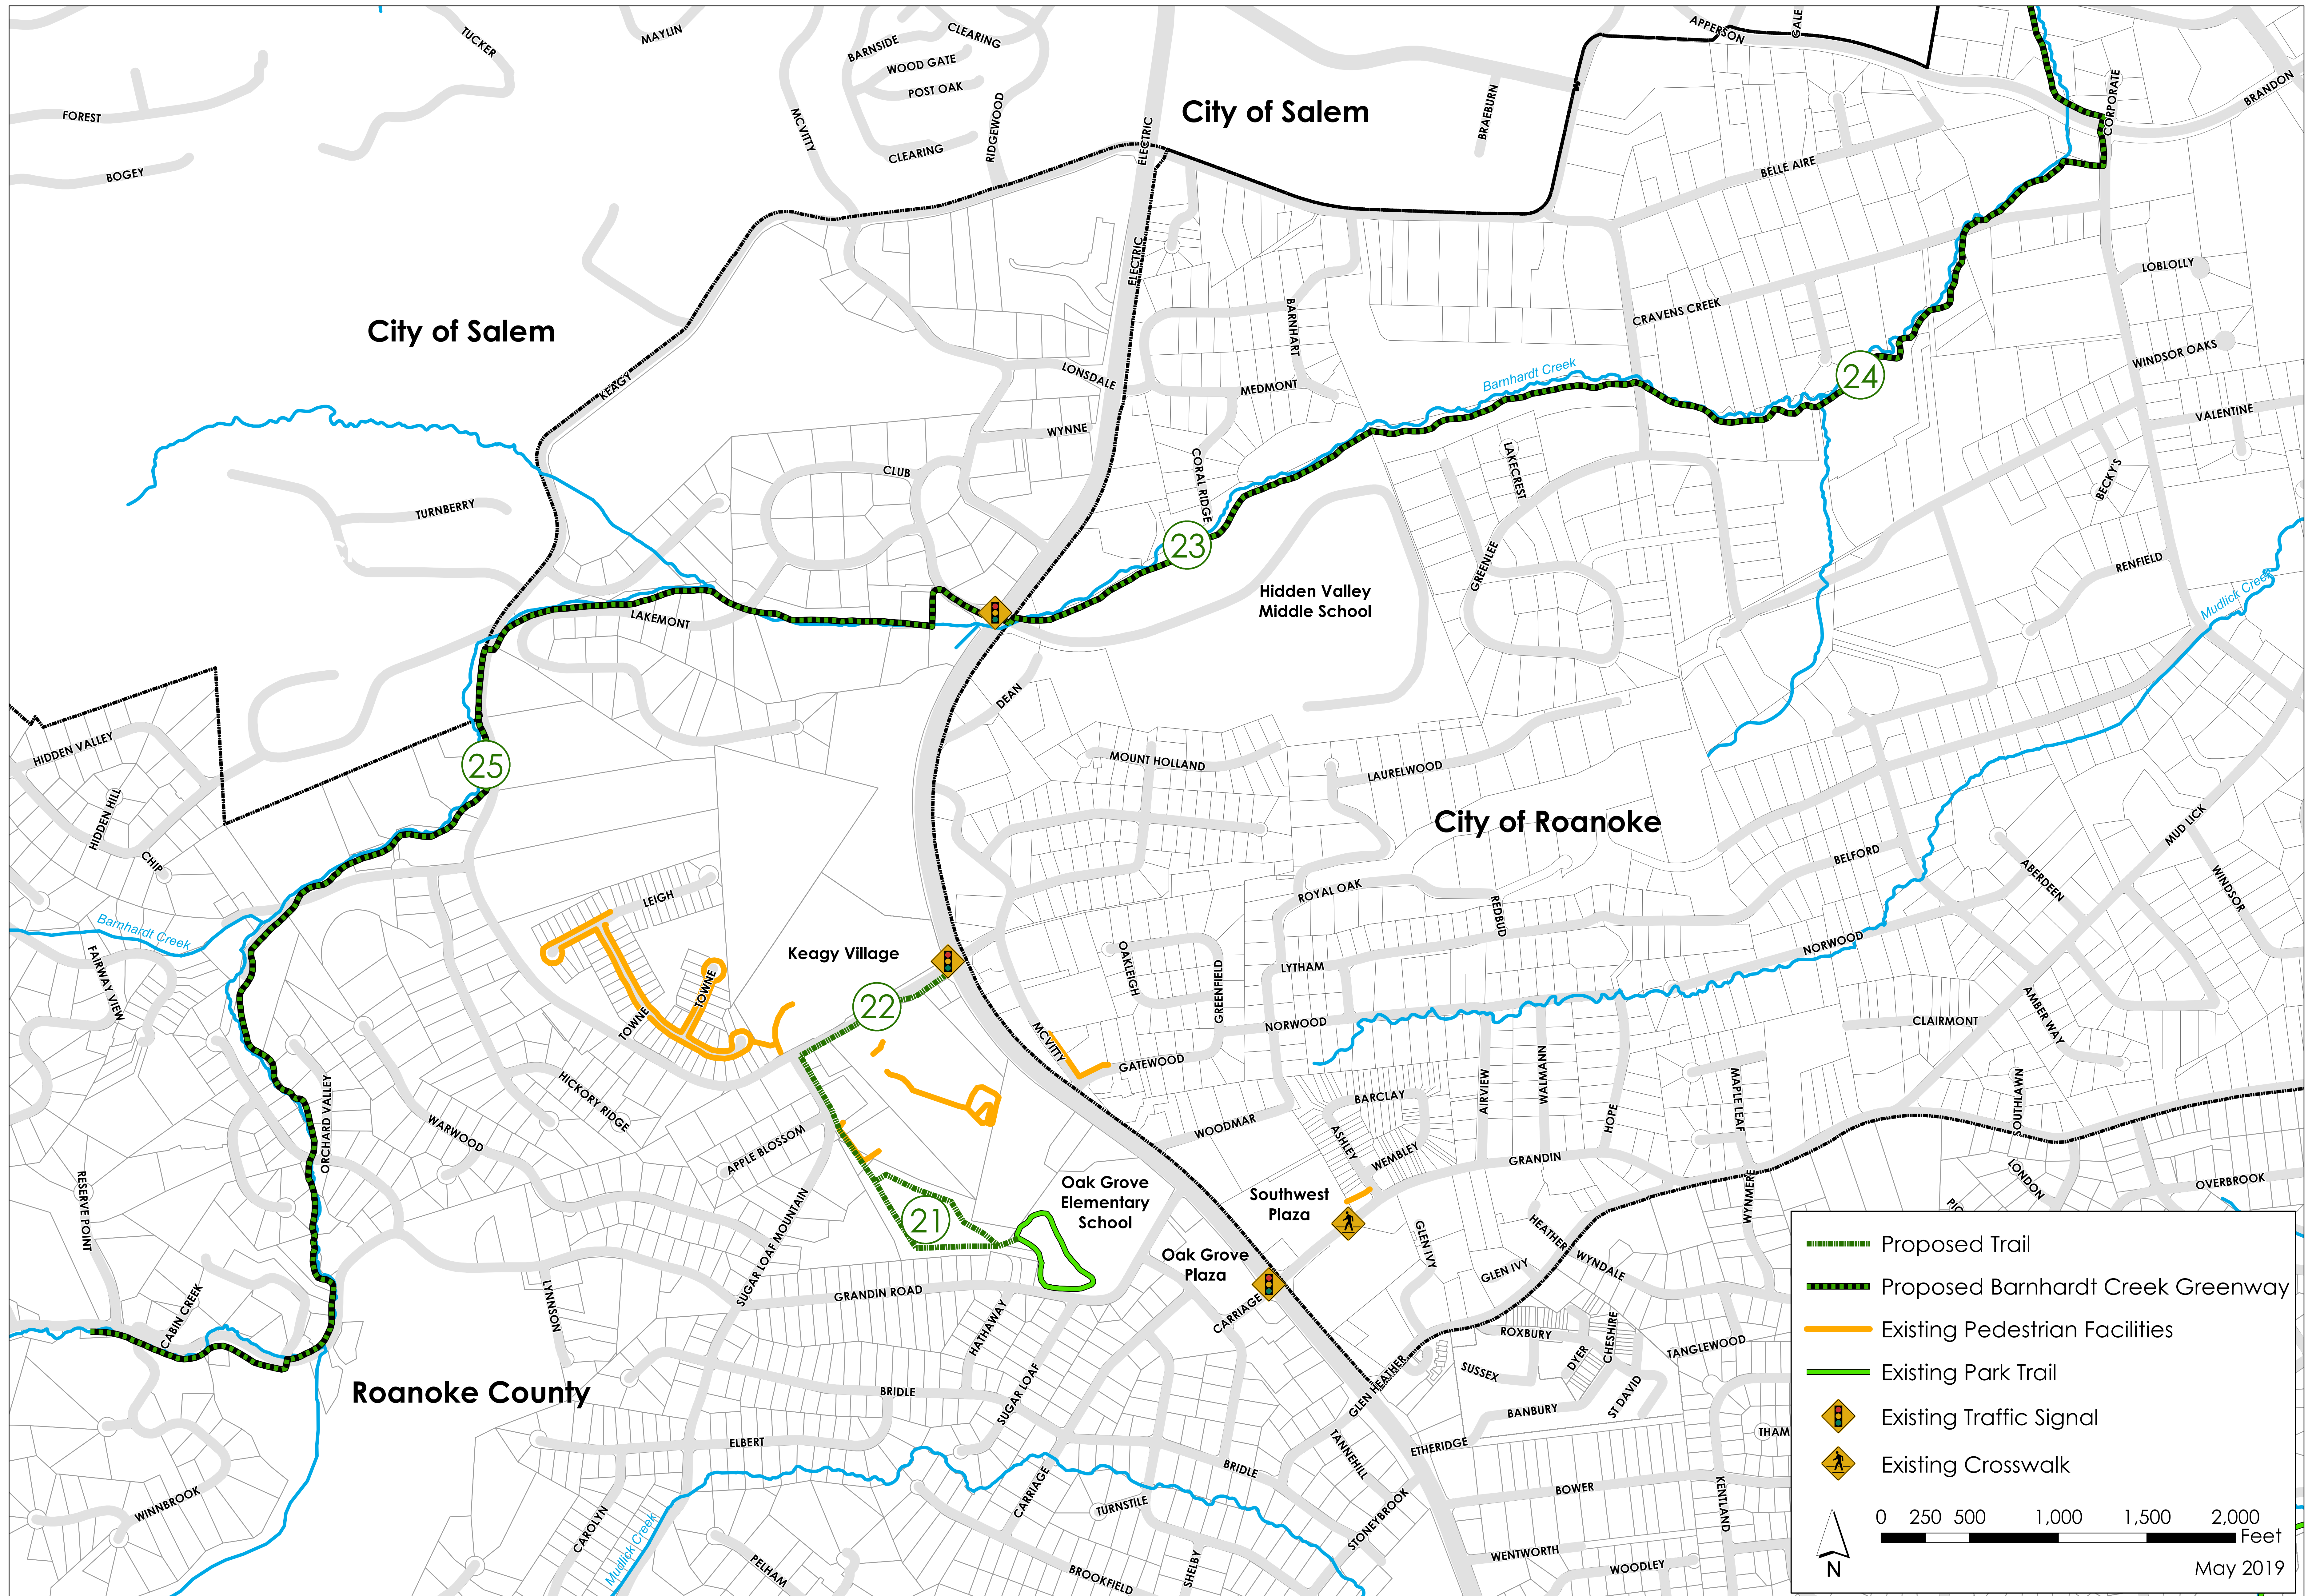

What proposed improvements are most important to you?

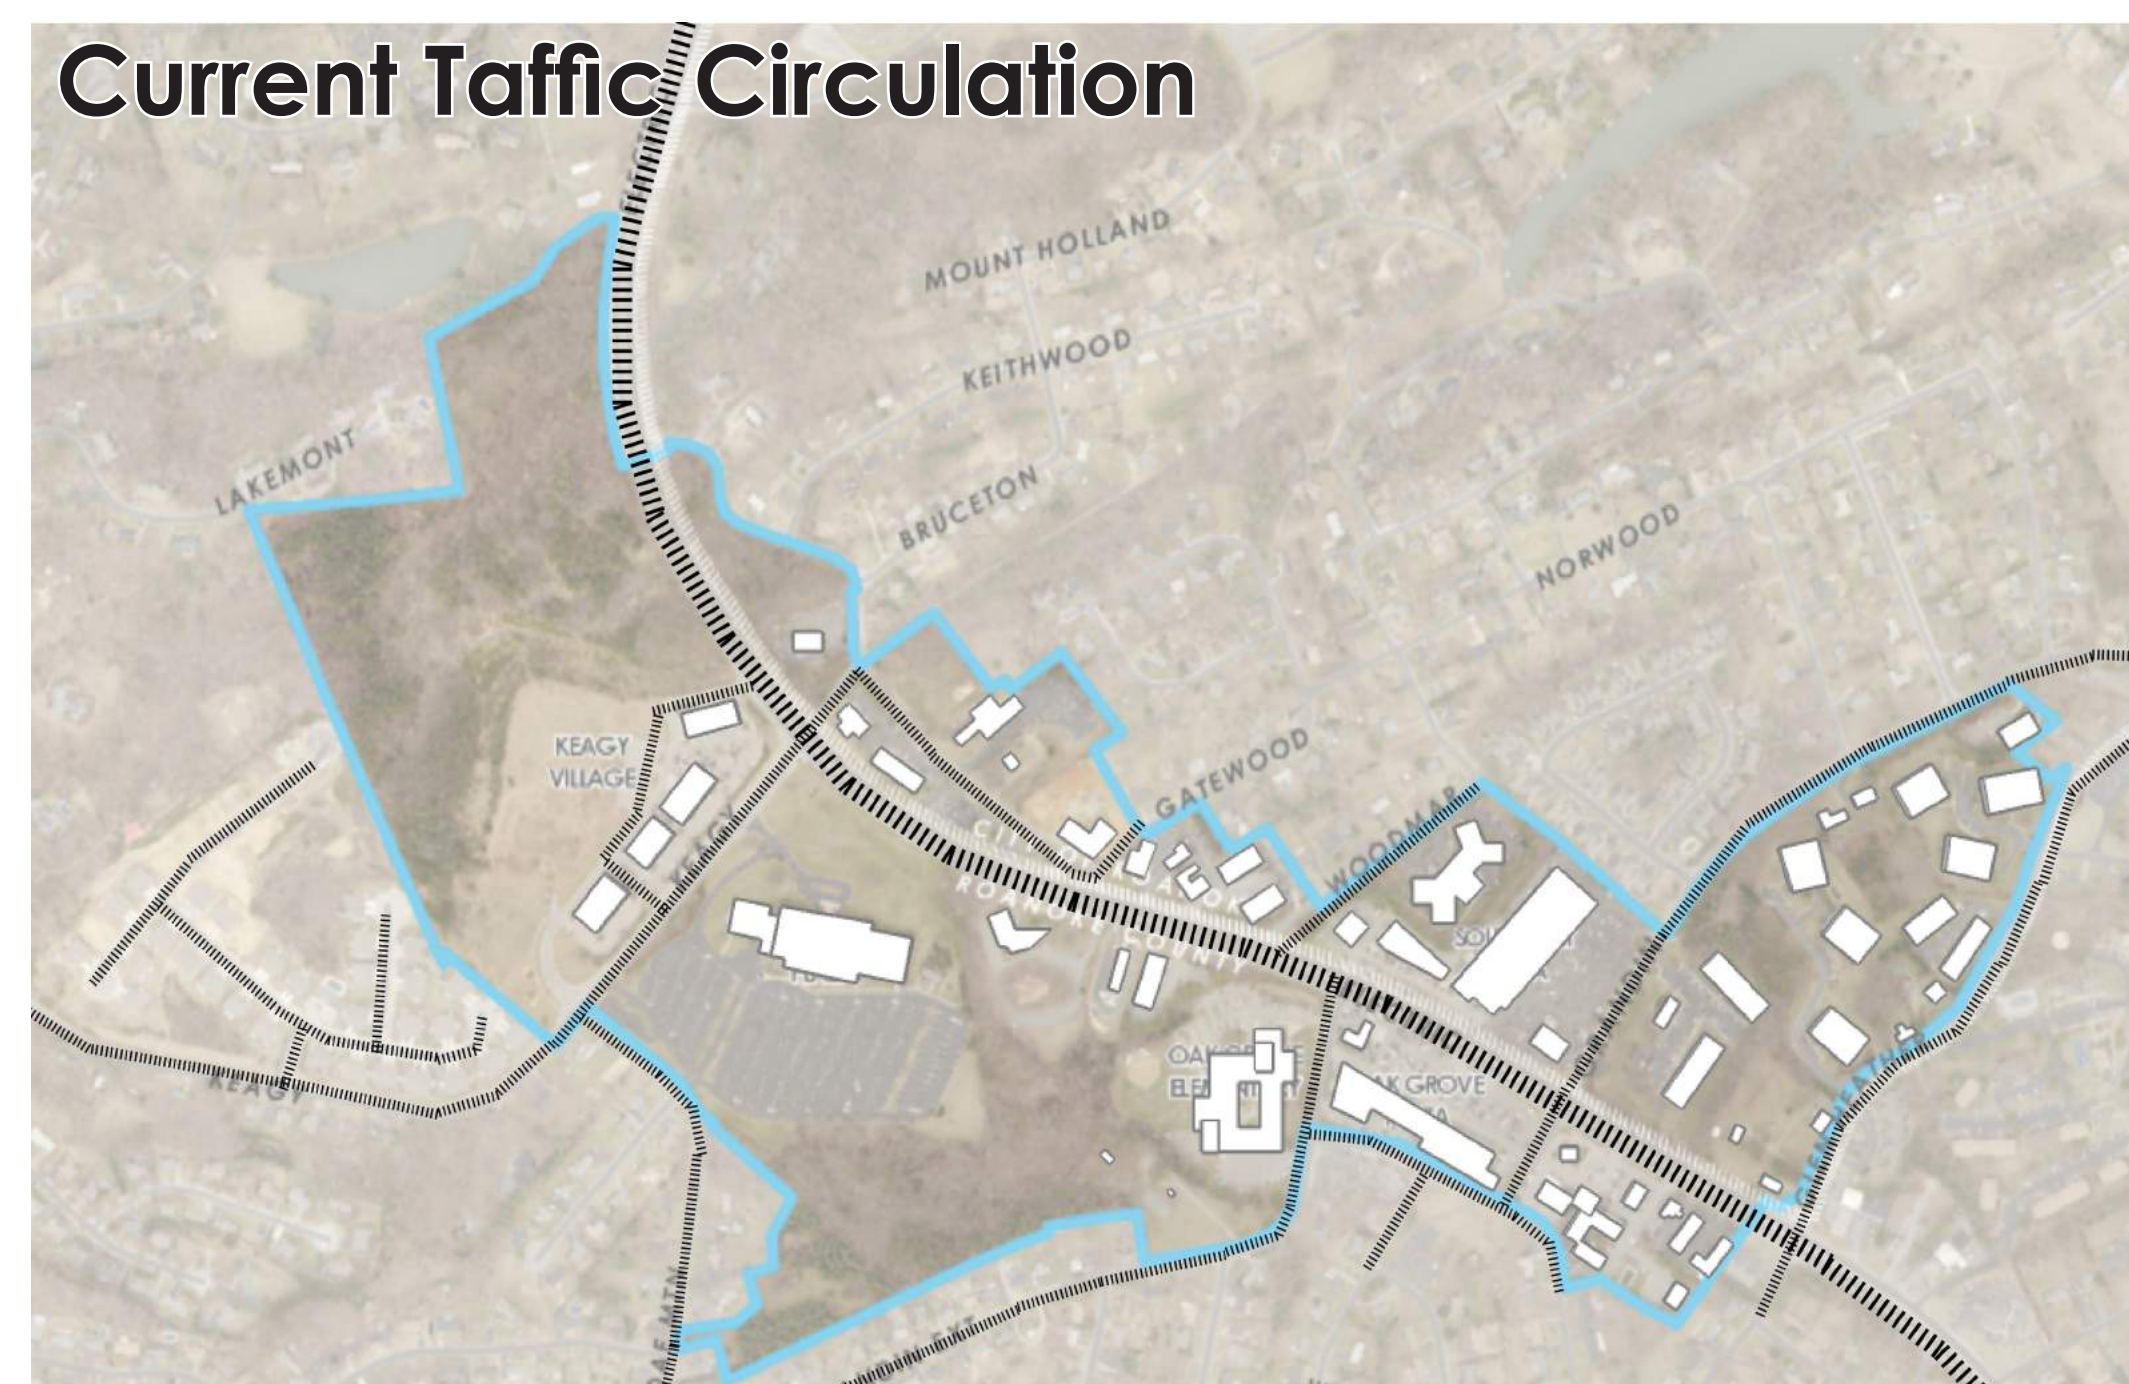

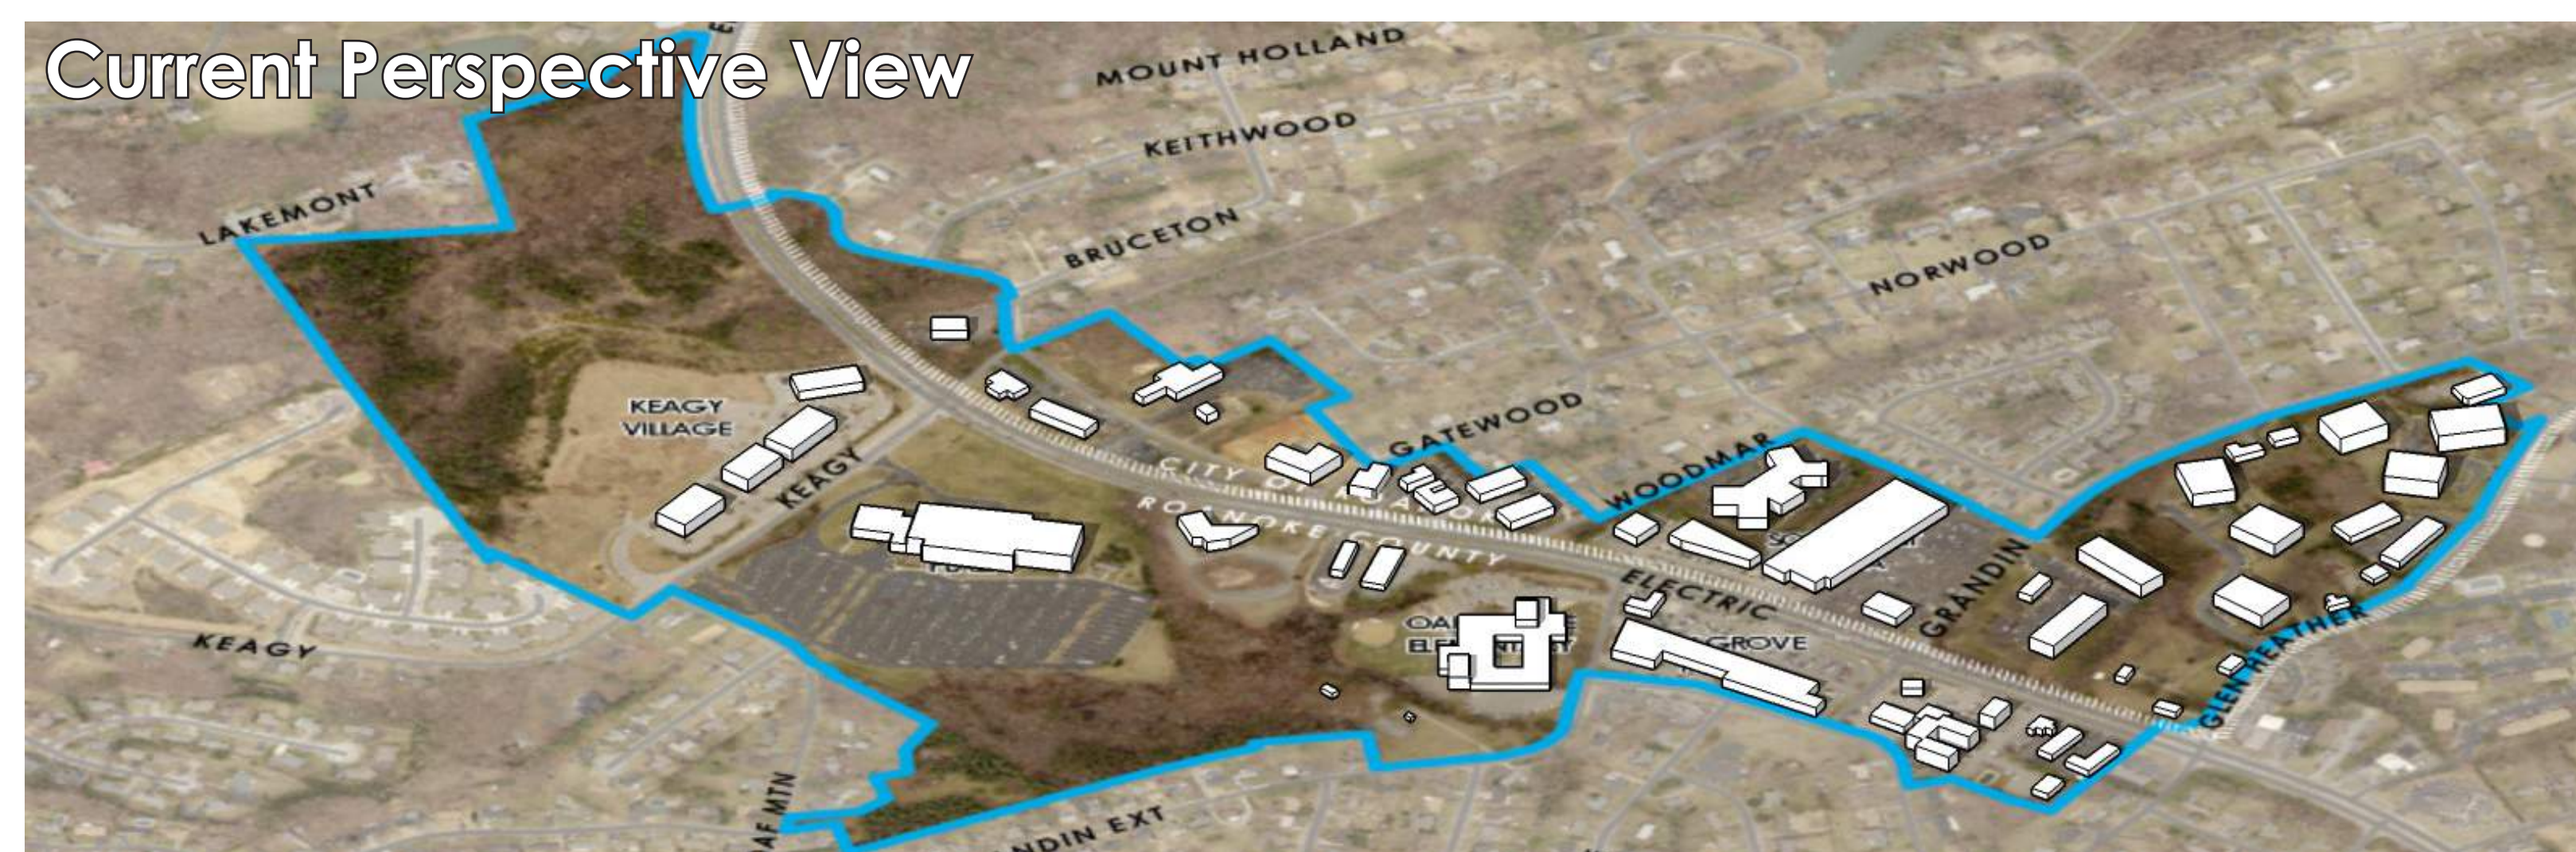

Principle #2: Improve and expand outdoor amenities.

Core Concept: Build a trail network and connect to greenways.

GREENWAYS

Existing Conditions
