Addendum No. 2
RFP 2020-052
Inmate Dental

1. Is this a new requirement or is there an incumbent?
Answer: There is an Incumbent, see below.
2. Who is the incumbent?
Answer: Dr. Ebrahim Baradaran
3. How long has the incumbent been performing dental services at the Roanoke County-Salem Jail Facility?
Answer: 7 years
4. Does the incumbent currently provide a dental assistant?
Answer: Yes
5. How often are services currently being provided and what are the hours?
Answer: Once weekly on Tuesdays 0800 hours until complete, average is 1.5-2 hours.
6. Please provide a list of dental equipment provided by the Roanoke facility
Answer: See attached
7. Who is responsible for the cost of repairs/replacement, maintenance, registration of the dental equipment?
Answer: The Sheriff's Office
8. What type of inmate does the Roanoke Facility house (e.g., county, U.S. Marshalls, ICE)?
Answer: County and ICE-only if detainer place, not permanently.
9. On Page 8 of the RFP, it refers to the "Request for Proposal price form furnished by the county", however, there is no price form attached. Is pricing to be included with the proposal? If so, how does the County want services to be priced -- hourly, per diem, fee-for-service?
Answer: See addendum No. 1
10. How are services currently billed to Roanoke County (e.g. hourly, per diem, fee for service)?
Answer: Fee for Service
11. How many inmates were referred out for treatment within the last 12 months?
Answer: None

12. Please provide a list of procedures and the respective quantities that were performed on location for the past 6 months

Answer: DDS had 105 inmate contacts from 1 September 2019 to 1 March 2020. The only services we provide are dental exam, dental health counseling, temporary fillings, and extractions. Therefore, there were 105 dental exams, and 105 dental health counselling's. Of those 105 contacts, there were several temporary fillings and several extractions.
