1. Authorized hours of work – is this something we can change to work with Jamison's regular works hours which are 7:00 am to 3:30pm?
Answer: Roanoke County's work hours listed are the hours in which Building Maintenance Technicians are normally working. Vendors are requested to have regular work hours that fall between these times, but do not have to be from 6:00 AM to 6:00 PM.
2. Regular, Over time, weekend, holiday rate – there is only a spot to fill in for Hourly rate and overtime rate. Jamison does have weekend rates and holiday rates are we able to charge these rates if we are required to work by the County?
Answer: See revised pricing sheet.
