**Inmate Medical Exams and Services for Roanoke Salem Jail**

1. Is the County looking for a total privatization of the inmate medical service program on-site, to include all staffing (Providers, and Nurses)?  
Answer: Not at this time
2. Is the current medical staff employed by the County?  
Answer: All medical professionals are Contracted and 6 medical basic EMT's.
3. Please confirm the number of references required.  
Answer: Five (5)
4. Please confirm the number of unbound proposal copies that are required.  
Answer: Four (4)
5. Additionally, given the short time frame from the meeting to the due date, would the County consider an electronic submission of the proposal?  
Answer: Sorry, this is a rule of the State.
6. Would the County accept the company's good standing certification for the State in lieu of a local business license with the caveat that, should the vendor be selected, the local business license is then submitted?  
Answer: Yes, yet this must be submitted before Contract can be signed.
7. When does the County expect for services to begin under the new contract?  
Answer: November 1, 2020
8. Does the Jail currently hold NCCHC or ACA accreditation, and if yes, what is the date of the last survey done for accreditation purposes?  
Answer: ACA Accreditation due in
9. If not, does the Jail plan to obtain such accreditations?  
Answer: See answer above
10. Please explain what Mental Health Services are currently being provided to the County as well as what is expected of the current Provider in regards to Mental Health Services.  
Answer: This service is provided by another Contract.
11. Does the Jail currently utilize an EMR system? If so, which system is used, and if yes, should the County change vendors, would the current EMR platform stay for use by the new vendor?  
Answer: COREMR-Yes, this would be used by the new Doctor.
