

**Information indicating Conditions at Vinyard Park**

**Notes:**

1. The purpose of this information is to provide prospective bidders information concerning conditions at Vinyard Park, where a disposal area for excess earth is being furnished. Prospective bidders may interpret this information at their risk. Vinyard Park is open to the public. Prospective bidders are encouraged to visit the site to observe conditions in person and make other investigations as they deem appropriate.
2. Refer to the plan being provided by addendum for detailed information.
3. Red arrows to the left indicate approximate locations of pictures taken on 9/3/20. Corresponding pictures follow.

Picture 1- Looking towards earth disposal area at rise ahead. Note wet area in foreground.
