Repetitive informal interviews shall be permissible. Such Offerors shall be encouraged to elaborate on their qualifications and performance data or staff expertise pertinent to the proposed projects as well as alternative concepts. These discussions may encompass nonbinding estimates of total project costs including, where appropriate, design, construction, life cycle cost, nonbinding estimates of price for services, and other matters. Methods to be utilized in arriving at a price for services may also be discussed. Properly designated proprietary information from competing Offerors shall not be disclosed to the public or competitors, except as may be required by law.
 - 2. At the conclusion of discussions, outlined in the paragraph above, on the basis of evaluation factors published in the RFP and all information developed in the selection process to this point, the two (2) or more Offerors whose professional qualifications and proposed services are deemed most meritorious shall be ranked in order of preference.

- B. All proposals submitted in response to this RFP will be reviewed by the Purchasing Division or its designee for responsiveness prior to referral to a selection committee or person. A committee consisting of County personnel and/or others and/or an appropriate individual will then evaluate all responsive proposals, conduct the negotiations, and make recommendations to the County as appropriate. The award of a contract, if made, will be made to the Offeror whose proposal best furthers the interest of the County. - C. Oral Presentation: Offerors who submit a proposal in response to this RFP may be required to give an oral presentation of their proposal to the selection committee or person. This provides an opportunity for the Offeror to clarify or elaborate on the proposal. This is a fact finding and explanation session only and does not include negotiation. Oral presentations are strictly at the option of the County and may or may not be conducted.
- D. The County reserves the right to make multiple awards as a result of this solicitation.

Otherwise, submission of a proposal by an Offeror will obligate such Offeror, if it is the successful Offeror, to enter into a contract containing the same or substantially similar terms and conditions as contained in such Sample Contract. Other terms and conditions, if necessary, will be negotiated with the successful Offeror.

However, if such changes or revisions are due in any way to the fault of the Consultant, the Owner can require the Consultant to perform the services required under this Contract and make such changes and revisions without any additional charges by the Consultant and pursue such other remedies available to the Owner under this Contract or by law, or any combination of such remedies as the Owner deems appropriate.
- G. - I. The Consultant shall be fully responsible to the Owner for all acts and omissions of all succeeding tiers of subcontractors, agents, and sub consultants performing or furnishing any of the work just as the Consultant is responsible for its own acts and omissions.

- J. During the performance of this Contract, the Consultant agrees as follows:

The Consultant agrees to post in conspicuous places, available to employees and applicants for employment, notices setting forth the provisions of this nondiscrimination clause.
 2. The Consultant, in all solicitations or advertisements for employees placed by or on behalf of the Consultant, will state that such Consultant is an equal employment opportunity employer.

- K. Consultant agrees that the County's waiver or failure to enforce or require performance of any term or condition of this Contract or the County's waiver of any particular breach of this Contract by the Consultant extends to that instance only. Such waiver or failure is not and shall not be a waiver of any of the terms or conditions of this Contract or a waiver of any other breaches of the Contract by the Consultant and does not bar the County from requiring the Consultant to comply with all the terms and conditions of the Contract and does not bar the County from asserting any and all rights and/or remedies it has or might have against the Consultant under this Contract or by law.
- L. If any provision of this Contract, or the application of any provision hereof to a particular entity or circumstance, shall be held to be invalid or unenforceable by a court of competent jurisdiction, the remaining provisions of the Contract shall not be affected and all other terms and conditions of the Contract shall be valid and enforceable to the fullest extent permitted by law.
- M. Such notice is a condition precedent to the assertion of any such claim by the Contractor. A written decision upon any such claims will be made by the Board of Supervisors or its designee (hereafter "BOS"). The Contractor may not institute legal action prior to receipt of the County's decision on the claim unless the BOS fails to render such decision within ninety (90) calendar days from submittal of its claim. Failure of the County to render a decision within said ninety (90) calendar days shall not result in the Contractor being awarded the relief claimed nor shall it result in any other relief or penalty. The sole result of the County's failure to render a decision within said ninety (90) calendar days shall be Contractor's right to immediately institute legal action. No
