Dear Dry Hollow Road Area Residents and Property Owners,

I would like to invite you to a community meeting to review the status of the Dry Hollow Road Safety Improvements Project. The meeting will be held:

Date: Thursday, October 21, 2021

Time: Open House between 4 p.m. and 7 p.m. (come and go anytime)

Location: Camp Roanoke Dining Hall, 6489 Dry Hollow Road

Please note that due to COVID-19, face coverings must be worn.

The goals of the project, where Dry Hollow Road and Dry Hollow Creek pass under the Norfolk Southern railroad bridge, are to:

1. Reinforce the roadway against the creek; and
2. Improve safety by widening the roadway for two-way travel.

Roanoke County staff will have exhibits to show the proposed solutions and will be available to discuss the project currently in design, with Virginia Department of Transportation (VDOT) assistance.

Please feel free to contact Megan Cronise, Roanoke County Transportation Planning Administrator, with any questions at (540) 772-2106.

Sincerely,

Supervisor Martha Hooker, Catawba District
