## ADDENDUM NO. 1 TO ALL BIDDERS/OFFERORS:

Reference – RFP #2022-051

Description: 1250 GPM Pumper with 750 Gallon Tank

Issue Date: December 15, 2021

Proposal Due: February 10, 2022

The above Project is hereby changed as addressed below:

### 1. Changes to Project Specifications

- a. Attachment C, Section 2.33 is hereby replaced with the following language:

*“A full service center (paint, warranty work & body shop) should be within 100 miles of the Roanoke County Fire & Rescue. Mobile Service Vehicles and 24/7 Emergency Service shall also be available from the successful bidder. Mileage to the service center shall be included in your proposal. Sub-contracting will be permitted if a full service center is not located within the 100-mile range. If a subcontracted service center must be used, the Offeror shall disclose all information regarding the identity of the subcontractor, location of the service center, and a list of services the subcontracted service center can and cannot perform.”*

- b. In regards to Attachment C, Section 2.41, which reads:

*“A penalty of \$200.00 per calendar day will be deducted from the final payment for each day the delivery of the Pumper Truck to the County of Roanoke exceeds the delivery stipulated.”*

The County offers the following clarification: The County intends to be flexible and understanding of current challenges regarding supply chains and delivery times. The successful Offeror will be expected to provide a realistic estimate for delivery, and to keep the County informed of any delays in delivery time as they may occur. The abovementioned penalty shall be enacted in the event that the County is not kept apprised of changes to delivery times, and the mutually agreed upon delivery time is surpassed without proper notification.

**Note:** A signed acknowledgment of this addendum must be received at the location

indicated on the original solicitation either prior to the proposal due date or attached to your proposal. Signature on this addendum does not substitute for your signature on the original proposal/bid document. The original proposal/bid document must be signed.
