2018 Digital Counties Survey Winners

July 11, 2018 – The Center for Digital Government (CDG) and the National Association of Counties (NACo) announced the winners of the 15th anniversary Digital Counties Survey. The survey, conducted by CDG in partnership with NACo, identifies the best technology practices among U.S. counties, including initiatives that streamline delivery of government services, encourage open data, collaboration and shared services, enhance cybersecurity and contribute to disaster response and recovery efforts.
