**RFP 2023-042**  
**Water Slide and Spray Ground Inspection and Repair**

1. I have read through the invitation for bid and the one question I have is in regards to what is to be included in the actual bid. The bid will include cost of full inspection of the water slides and spray grounds mentioned. Is the inspection to take place before a bid on repair work is to be submitted?

Answer: Yes, the full inspection is first.
