**Addendum No. 2**  
**IFB 2024-021**

1. I have reviewed the following section and would like to confirm that a bond is not required for this IFB.

H. Except in cases of emergency, all bids for construction contracts shall be accompanied by a bid bond from a surety company selected by the bidder, which is legally authorized to do business in Virginia.

(1) A bid, payment or performance bond for contracts for goods or services other than construction may be required if provided in the Invitation for Bid.

(2) The amount of the bid bond shall not exceed five percent (5%) of the total amount of the bid.

(3) In lieu of a bid bond, a bidder may furnish a certified check or cash escrow in the face amount required for the bond.

(4) Upon award of any public construction contract exceeding \$100,000 awarded to any prime contractor, such contractor shall furnish:

i. Performance bond in the sum of the contract amount.

ii. Payment bond in the sum of the contract amount.

(5) Performance and/or payment bonds may be required for construction contracts below \$100,000 at the discretion of the County.

(6) In cases of emergency performance bonds/payment bonds are required within ten (10) calendar days of notice to proceed or project commencement.

**Answer:** *No, this is not required*

2. In regards to IFB 2024-021 Automated Carts, can you please elaborate on what the inside delivery (page 14, section M) entails?

**Answer:** *They are responsible for the goods until we accept delivery. Our deliveries will need to be made with a truck that can use a loading dock. Or has a ramp lift gate. We help the drivers now by using our Fork lift and take the cans off the truck for them.*

3. Coverage must include Broad Form property damage and (XCU) Explosion, Collapse and Underground Coverage.

**Answer:** *This coverage is not needed.*
