Questions received from potential bidders regarding this solicitation, and their answers, are below.

Q: One of the requested options is to provide pricing for a new compactor unit for this work. Since the contract start date is 5/1/24, new equipment would not be able to be ordered and delivered that quickly. Would you be able to move the start date to accommodate the additional time needed to get equipment?

A: Yes, the start date has been changed to 30 days after contract execution.

Q: Please clarify the due date/time for the response. Can the due date be extended by a week?

A: Yes, the due date is now extended it to April 30, 2024.

Note: A signed acknowledgment of this addendum must be received at the location indicated on the original solicitation either prior to the proposal due date or attached to your proposal.
