**Gills Received Virginia Public Library Directors
Outstanding Website Award**

(ROANOKE COUNTY, VA – May 28, 2024) The Virginia Public Library Directors Association’s Outstanding Website Award was received by Library Administrative and Marketing Manager Caitlin Gills for her work in managing the department’s patron-focused website.

The award considers a variety of factors including usability, ease of searching, attractiveness of layout, dynamic content, and device compatibility. Administrative and Marketing Manager Caitlin Gills worked to make sure these elements were all features of the Library’s site design, and this award is a direct result of her efforts.
