This file may be used at Bidder's sole risk. The posted construction plans are the only official construction drawings.

- 4) Will a MOT Plan be provided?
 - a. No
- 5) Will this project have potential milestones?
 - a. Substantial completion will be considered achieved when all required grading is finished, and site stabilization (seeding/matting/straw) has been installed. Due to the anticipated timeline for construction, installation of planted stock shall not be considered part of substantial completion and may be deferred to the nearest date within the specified planting window (e.g. fall/winter). The planting warranty shall begin upon completion of all plantings.
