

# Rules for Use of RCPL Museum Passes and Backpack Kits

Patrons must have and use a library card to check out passes and/or backpack kits.

The loan period for passes and Mill Mountain Zoo Backpacks is **7 days**. The loan period for all other backpacks is **14 days**. The Library reserves the right to refuse service to patrons who are repeatedly late in returning these materials or cause the Library to deactivate the pass. If a patron is late in returning these materials three times, and/or the patron fails to return the materials after 28 days, they will lose pass and/or backpack kit borrowing privileges.

One pass and one backpack kit may be checked out per library card at a time with a limit of two per household.

Borrowers will be liable to pay the replacement cost for the pass/backpack kit if lost.

By checking out a pass and/or backpack, I acknowledge that I have read, understand, and agree to abide by this policy. I understand that violation of these rules will result in the loss of future borrowing privileges and that I will be liable for replacement cost of the materials.
