

Plantation Road Bicycle, Pedestrian and Streetscape Improvement Project Overview

Proposed Improvements

- Sidewalks (5' wide concrete) along Plantation Road with street trees, decorative street lights, curb and gutter
- Shared Use Paths (10' wide asphalt) for pedestrians and bicyclists along part of Plantation Road and along side streets to connect the Tinker Creek Greenway and Carvins Cove to Walrond Park
- Traffic signal at Lila Drive
- Widened intersections at Walrond Drive, Hitech Road and Lila Drive
- *Welcome to Hollins* Gateway Sign
- Consolidated business entrances

Project Details

- \$3.8 million raised in local, state and federal funding
- May/June, 2014: Design Public Hearing
- Spring, 2015: Construction Begins
