

ACCESSIBILITY COMPLIANCE STATEMENT
Commercial Structure Alterations/Tenant Up-Fit

PROJECT NAME: _____

PROJECT ADDRESS: _____

Please reference VEBC (Virginia Existing Building Code) Accessibility for Existing Buildings, to see the extent to compliance and the exceptions as they apply to your alteration/repair or tenant layout project. The existing space is not required to be 100% accessible, but all new work is required to be accessible, per VCC (Virginia Building Code) Chapter 11 and ANSI A117.1.

- Existing space is already 100% accessible; accessibility upgrades are not required.
- The space is not 100% accessible; up to 20% of the total construction cost has been allocated for accessibility upgrades to the existing space as shown below.

This is to certify that the total cost of the alterations to the above referenced project is \$_____. 20% of the total construction is \$_____, which has been allocated for alterations to the accessible route the primary function area per VEBC.

<u>ACCESSIBLE ELEMENT</u>	<u>COST</u>
