Please join us to break ground on Phase II!

After almost eight years of planning and fundraising, Roanoke County is preparing to break ground in the next few weeks on Phase I of the Plantation Road Bicycle, Pedestrian and Streetscape Improvement Project.

Phase I of the project includes an asphalt shared-use path, measuring 10 feet wide, to be constructed for pedestrians and bicyclists between Williamson Road and BSC Ventures/Double Envelope on the west side of the road. Sidewalk will continue from that point to Walrond Drive. Curb, gutter and a storm drain system will also be installed, along with street trees and a "Welcome to Hollins" sign.

A brief ceremony will take place in the front yard of BSC Ventures/Double Envelope at 9 a.m.
